Local Spring Auditions – Saturday, March 13, 2010

INFORMATION FOR PARENTS AND STUDENTS

CCMTA desires to promote fairness to all students and teachers involved in our local competition. Therefore, in order to facilitate the mechanics of participation in the Cobb County Music Teachers Auditions, the following rules and guidelines are to be followed by all participants. Please read and detach lower portion with parent's signature and return to individual teachers.

- Students are required to check in at registration desk at least 20 minutes before performance time and must be outside judge's door 5 minutes before performance time.
- Students are encouraged to warm up at home, as practice rooms cannot be guaranteed available due to restricted numbers of rooms and a first come, first served policy. Even if a practice room is open, warm-up will be permitted only at monitor's discretion as time allows.
- It is the responsibility of the student to provide music for the judges with all measures numbered.
- Any student (including accompanists) present copies other than publishers' printed editions will be disqualified and will not be heard by the judges.
- Students must perform repertoire as listed on CCMTA Auditions application.
- All theory participants will use the Georgia Music Teachers Association theory structure, with difficulty levels of I, II, III, IV and V optional for each student/teacher. Since all tests will be graded at state Level, knowledge of winners at local level may be delayed one or two months.
- Winners are strongly encouraged to participate at the ANNUAL WINNERS RECEPTION held at **Kennesaw State University Music Building Room 109** on the Saturday following the auditions.
- Entrants allowed to proceed to state competition will be designated "Cobb County Winners" and will receive "Outstanding Performer" certificates and a medal. Additionally, the judges may designate "Award of Excellence" and "Honorable Mention" recipients, who will receive certificates.

CCMTA HIGH SCHOOL PIANO SENIOR AWARD: A first prize of \$1,000 and a Second Prize of \$750 may be given at the discretion of the judge to declared music major students; awards will be sent to the colleges of their choice. The recipients of this award must meet the CCMTA repertoire requirements and pass the CCMTA Theory Exam, Level V, with a grade of 70% or better, and receive the "Outstanding Performer" award.

I understand the rules and guidelines as established by Cobb County Music Teachers Association for participation in the CCMTA Local Spring Auditions Saturday, March 13, 2010.

CCMTA Local Spring Auditions 2010

I, _____, (teacher's name) verify that every student whom I have entered in the CCMTA Local Spring Auditions are my students taught and prepared by me for this audition. I further attest that these students have been entered in only one local GMTA Audition in this calendar year, namely the CCMTA Local Spring Auditions. I realize that failure to comply would result in disqualification of that student participating in the audition and that I would be subject to a reprimand from the local association. In addition, the state organization, GMTA, would also be notified of this noncompliance. I have listed my participating students below.
